# TOWN WARRANT

## TOWN WARRANT

### THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Sandown in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Sandown on Tuesday, the sixth day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see if the Town will authorize the Selectmen to borrow money in anticipation of Taxes.

4. To see if the Town will vote to authorize the Selectmen to administer or dispose of, at Public Auction, property taken through Tax Collector's deeds.

5. To see if the Town will vote to accept the changes in the Zoning Code as proposed by the Planning Board.

6. To see if the Town will accept Town Road Aid, State to contribute \$3,353.40, Town to raise and appropriate the sum of \$503.01.

7. (By Petition)

To see if the Town will vote to establish the following disturbance ordinance:

"It shall be unlawful for anyone to subject a resident of Sandown to any obnoxious noises and unnecessary disturbances which would fall into the category of a "nuisance noise". Upon such a complaint of unusual disturbances, the Chief of Police will enforce this ordinance."

8. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 for a term of one year, to be held in a Capital Reserve Fund for the building of a Public Library.

9. To see if the Town will vote to accept the gift of a parcel of land from the State, to be used as the site for a new Library.

10. To see how the Town will vote to use the Revenue Sharing Funds, received from the Federal Government.

11. To see if the Town will vote to allow the Selectmen to dispose of the Diamond T Truck, which was formerly used as a Salt Truck and is now surplus.

12. To see if the Town will vote to establish a Conservation Commission under the provisions of R. S. A. 36A, and that the Selectmen shall appoint said Commission, to consist of three to seven members, within 30 days of the said annual meeting, and that said Selectmen shall also designate, for the purpose of calling the first meeting, a temporary chairman.

13. To see if the Town will vote to raise and appropriate the sum of \$100.00 to be put in the Conservation Fund, should the Conservation Commission be established this year.

14. To see if the Town will vote to continue raising and appropriating the sum of \$1,000.00 annually, upon completion of present Fire Truck Bond Issue for the future purchase of Fire Trucks, as the Insurance Underwriters will only rate a Fire Truck for 20 years, funds to be held in Capital Reserve.

15. To see if the Town will vote to enact an ordinance requiring the Inspection and Issuance of a permit for the installation and use of L-P Gas Tanks and equipment; this is to insure that the safety requirements of the State of New Hampshire are complied with. Inspection and Issuance to be done by the Fire Dep't.

16. To see if the Town will vote to enact an ordinance requiring the Inspection and Issuance of a permit to install and/or use any above or underground fuel storage tank over 200 U.S. liquid gallon capacity; this is to insure that the safety requirements of the State of New Hampshire are complied with. Inspection and Issuance to be done by the Fire Dep't.

17. To see if the Town will vote to authorize the Board of Fire Engineers, with approval of the Selectmen, to dispose of the 1939 Ford Angle Pond Fire Truck (minus any or all equipment useable by the Fire Dep't) by advertised sealed bid method; minimum acceptable bid to be \$200.00, any lower to be rejected.

18. To see if the Town will vote to accept the gift of two (2) "Mark 11 Scott Air Packs" and five (5) spare "Scott Air Tanks" from the Firemen's Assoc. for the Fire Dep't.

19. To see if the Town will vote to accept the gift of a 1964 3/4 ton, 4 wheel drive Model 1200 International Fire Truck from the Firemen's Assoc. for the Fire Dep't.

20. To see if the Town will vote to authorize the Fire Dep't to use any or all money derived from the sale of the 1939 Ford Fire Truck, for the purchase of 2 way radio equipment for the Fire Dep't.

21. To see if the Town will vote to raise and appropriate the sum of \$500.00 for the purchase of medical supplies and equipment to be used by licensed Fire-Police personnel.

22. To see if the Town will vote to raise and appropriate the sum of \$1500.00 for the purchase of a Van Type vehicle to be used for emergency Service by licensed Fire-Police personnel; this is not for ambulance service.

23. To see if the Town will vote to raise the sum of \$500.00 for the installation of a Heating System in the Highway Garage.

24. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this 2nd day of February, in the year of our Lord nineteen hundred and seventy-three.

PATRICK E. CASTONGUAY  
JOHN B. HOLMES  
CHESTER M. NICOLAISEN  
Selectmen of Sandown

## LIBRARIAN'S REPORT

The year 1972 has been a favorable one for the Sandown Public Library.

Visitors	1,119
Adult books circulated	1,105
Children's books circulated	837
Total books circulated	1,942
Records borrowed	40
Special requests from the	
N. H. State Library	84
New cards issued	36
State-wide library cards issued	3
New volumes added	50
New records purchased	10
Volumes discarded	89

Through contributions, we now have a paperback book shelf which includes more than 70 books. In addition to records, we also lend jigsaw puzzles! Large print books are available in both the library and from the State Library and are in frequent use.

The family film festivals have been a success. We have borrowed 26 films from the State Library for monthly programs with an average attendance of 37. Mr. Mal Cameron has donated many evenings to serve as projectionist for this project and he has our thanks. The monthly story hour for 4-7 year olds owes its continuance to Mrs. Edna French and Mrs. Priscilla Caswell.

The Friends of the Library have been very active this year in raising funds for a new library. I think it would be foresighted of the town to consider this seriously. Our present facilities are very crowded. Proper planning of a new library or well-planned conversion of an historical site could serve the town in many ways.

I have thoroughly enjoyed serving as Sandown's librarian this year. I have made many friends, all of whom have helped me with my job, and I am looking forward to next year. The Library Trustees have helped me immeasurably to know the library and the town and for this I am most grateful.

SUSAN MAST  
Librarian

## FIRE DEPARTMENT REPORT

The fire loss for 1972 was at a low level again, with only one building fire which was contained with minimal damage; we had one fire caused by lightning, no loss occurred as a result of the ensuing fire.

The Fire Department was called to assist the Police Department, to provide lighting at Showell Pond when the search for a drowning victim was undertaken.

1972 saw improvements for the Fire Department; 16 men completed 30 hours of Basic Fire Fighting Practices. This course was conducted by the Division of Vocational-Technical Education, N. H. State Dept. of Education.

A 1964 4-wheel drive 3/4 ton Forest Fire truck was purchased by the Firemen's Association to replace the 1939 Angle Pond fire truck that was being used for forest fires.

Two more "Scott Air Packs" with five extra air tanks were purchased by the Firemen's Association, this gives the Fire Department six air packs to work with in bad air situations.

The Fire Department purchased 550 feet of 2-1/2" double jacketed lined hose and five extra Scott air tanks with \$1,000.00 of Capital Reserve Funds.

With the additional equipment purchased this year and the additional training, the Fire Department is in a better position to provide a more efficient service to the Town; as in past years, the goal is to better serve the residents.

The Towns of Hampstead and Sandown have entered into a Mutual Aid agreement to provide better fire protection for both Towns.

Six men from the Fire and Police Departments have completed a 71-hour course of Emergency Medical Technician-Ambulance training, conducted by the Division of Vocational-Technical Education and the Division of Public Health. These men are licensed to serve, act, practice and otherwise be held as duly licensed ambulance attendants.

There has been a need for emergency medical personnel in the Fire Department so that we may carry out our obligation of Protection of Life and Property.

These men are able to prepare a patient for transportation to a medical facility without causing further damage to the injured person, and in certain life-threatening situations, they are

capable of maintaining life until proper medical conditions can be obtained.

Any injury at a fire scene or accident scene, aid can be begun immediately while an ambulance is in transit to the scene of trouble, thereby saving valuable time in getting a patient to a medical facility.

This service can be available to the Town residents with the purchase of the necessary equipment being sought for in the Town Warrant; this is the only way that this service can be offered to the Town.

I stress the point that this is not an ambulance service, but only an emergency medical service to prepare the patient for transport in an ambulance. This is strictly a volunteer service and is subject to the conditions of a volunteer service.

The photograph is included so that any person that may be in need of this service will know to whom they are calling upon.

Seated, left to right: Duaine Steinhoff, North Road; George Newton, Fremont Road; Robert Towne, Lakeview Ave. (Angle Pond). Standing, left to right: Paul Newton, Fremont Road; Philip Towne, Lakeview Ave. (Angle Pond); Henry Higgins, Jr., So. Main Street.

A list of calls for the Fire Department in 1972 are listed below:

January	Rev. Newman	Building
March	Hampstead, Mutual Aid	Building
June	D. Mercier	Motorcycle
June	E. Dorr, Jr.	Auto
July	A. Love	Lightning
August	Hampstead, Mutual Aid	Building
August	Showell Pond	Drowning
November	Welch	Mattress

Again, I would like to express my personal "Thank you" to all who have made this a more responsive and working department; as the Town grows, our responsibilities grow with it.

Respectfully submitted,

GEORGE NEWTON  
Chief, Fire Department

# REPORT OF THE FOREST FIRE WARDEN

## & DISTRICT CHIEF

In New Hampshire, forest fire control is a cooperative State-town program. The Town Forest Fire Warden, appointed by the Director, Division of Resources Development upon recommendation of the Selectmen and the State's District Forest Fire Chief is responsible for fire suppression and other related duties. The State shares equally with the town in the cost of most forest fires, except illegal and careless fires, which are charged to the responsible party. The State further provides fire detection services, prevention programs, fire training for town wardens and crews, and back up equipment for fire suppression.

By authority of the State, the Town Forest Fire Warden controls all outside burning in his town except backyard cooking fires. Any person wishing to kindle a fire when the ground is not covered with snow must obtain a fire permit, free of cost, from the Town Forest Fire Warden. No permits will be issued for fires between 9:00 A.M. and 5:00 P.M. unless it is raining, except for commercial purposes.

Please be careful when using fire, remember it can be an extremely useful tool when under control but once allowed to run wild, it can become a disastrous and devastating force. Only you can prevent a forest fire.

Number of fires reported and acres burned - 1972 season:

STATE	410 fires	361 acres burned
DISTRICT	101	112
TOWN	0	0

RALPH STEVENS  
District Chief

RAYMOND S. BASSETT  
Forest Fire Warden

# POLICE DEPARTMENT REPORT

## Breakdown of Services

Service hours	1,255

Property damage	16
Stolen property (other than burglaries)	16
Untimely deaths	2
Also a large number of assorted minor complaints, patrol and camp checking	

## Dog Officer's Report

141 complaints      16 disposals      6 fines

The Police Department has had an active year. I want to thank the men for their support; they have done a fine job throughout the year. I also want to thank the townspeople for their assistance and information, some of which has helped in the recovery of stolen property and the apprehension of persons involved.

Also, special thanks to the Rockingham Sheriff's Department and New Hampshire State Police for assistance when called upon.

Respectfully submitted,

PAUL A. NEWTON  
Chief

## BUILDING INSPECTOR'S REPORT

During the year 1972, Sixty-six building permits were issued for the following purposes:

- 10 permits for new homes.
- 13 for mobile homes.
- 3 for summer camps.
- 3 for barns.
- 12 for garages.
- 9 for tool sheds.
- 13 for additions to present buildings.
- 3 for repairs to camps.

A total of \$470.00 was collected in permit fees. Your building inspector's salary was \$303.34 and his expenses for the year were \$28.40, making the total paid to the building inspector \$331.34.

Your building inspector is grateful for the cooperation of everyone involved with this work.

Respectfully submitted,

MALCOLM E. CAMERON, SR.

## PLANNING BOARD REPORT

During 1972, the Sandown Planning Board submitted to the town at the Annual Meeting a revised, comprehensive proposed zoning ordinance to replace the existing one. This proposal was defeated by a vote of 140 for, and 167 against.

During the calendar year 1972, the Board received seven applications for preliminary approval of subdivisions (representing 57 lots) and nine applications for final approval (representing 50 lots) and approved six final applications, thus approving a total of 40 new residential lots within the town.

During the year, we held 15 meetings and one public hearing.

Respectfully submitted,

LLOYD A. LESSARD  
Chairman

The Planning Board has proposed certain amendments to the Zoning Ordinance, to bring the ordinance in line with present planning concepts.

In this regard, counsel for the Town has stated it would be wise if the ordinance in question were completely revised. It is replete with inconsistencies, ambiguities and omissions.

The question of whether or not Commercial uses are permitted, as this letter indicates, is but one of many problem areas in the ordinance.

# PROPOSED AMENDMENTS TO SANDOWN ZONING ORDINANCES

(for consideration by the Voters of the Town of Sandown, N. H. at the Annual Town Meeting to be held March 6, 1973. All references are to the Articles, Parts and Sections of the Zoning Ordinance as it is presently enacted.)

## Amendment No. 1

To delete the Preamble and Article I in its entirety, delete Part C of Article II, delete Article IV, delete Section 8 of Article V, and to substitute therefor the following new Article I.

### Article I

#### ESTABLISHMENT OF ZONES

For the purposes of this Ordinance the Town of Sandown is divided into zones as depicted on the Official Zoning Map of Sandown, New Hampshire ("Map") filed with the Town Clerk and dated March 10, 1972, as amended from time to time by the voters of the Town, which Map is hereby incorporated into this Ordinance by reference.

Boundaries. Unless otherwise indicated, zonal boundaries as shown on the Map shall be deemed to coincide with:

1. the center lines of roads, highways, or other public rights-of-way,
2. the shore line of brooks, rivers, or streams,
3. the normal high-water mark of lakes, ponds, or similar bodies of water,
4. the Town's boundaries,
5. the nearest private property boundary approximately parallel to the zonal boundary such as to prevent the inclusion of any existing parcel or lot (as hereinafter defined) in more than one zone,

as appropriate. Where boundaries are so indicated that they parallel, approximately, the center line of any highway, road, other public right-of-way in river, stream or brook, or normal high-water mark of any lake, pond, or similar body of water, or town boundary, such boundaries shall be interpreted as parallel thereto at the distance specified herein from such center line, normal high-water mark, or boundary, as appropriate.

Amendment No. 2

Amend Article II, Part A, Section 6, by deleting the words, "the Board of Selectmen" and inserting in place thereof the words, "the Building Inspector" to comply with State law.

Amendment No. 2-b

To amend Article II, Part A, Section 10, by deleting the word "commercial" in line 1 thereof and by adding the following sentence to said Section:

"As used herein: 'piggery' is the keeping of three (3) or more pigs; 'fox' or 'mink' farm is the keeping of three (3) or more foxes or mink. "

Amendment No. 3

To amend Article II, Part A, by adding the following new Sections:

Section 14

Definitions. As used in this Ordinance,

- a) Apartment shall mean any separate dwelling used or offered for use on a commercial (rental or lease) basis when combined with other similar dwellings to form a building or structure.
- b) Apartment House shall mean a building containing two or more apartments.
- c) Structure shall mean a separable building having a roof supported by columns or walls.
- d) Business shall mean a trade or activity, including goods, services and facilities, offered or furnished to others for monetary or other similar consideration for gain.
- e) Commercial shall mean to or for use in the conducting of business.
- f) Dwelling shall mean one or more living or sleeping rooms arranged for the use of one or more individuals living only as a single, immediate-family unit with living and sleeping facilities.
- g) Frontage shall mean the length of lot or parcel of land bordering on a public right-of-way. If a lot or parcel of land borders on more than one public right-of-way, "public right-of-way" shall mean that public right-of-way over which egress to and exit from the said lot or parcel of land is usually effected.
- h) House Trailer: synonymous with mobile home. See "Mobile Home."

- i) Lot - a parcel of land separable from surrounding contiguous land by reason of and on the basis of different ownership.
- j) Mobile Home (Mobilhome). Any vehicle, trailer or assembled structure or portion of a structure designed for, or with accommodations for, occupancy as living quarters, which is readily movable from place to place upon its own accessory wheels or trucks. Excluded herefrom are travel/camper trailers not used as a dwelling of a length of less than twenty-six (26) feet.
- k) Use. The manner in which and/or purpose for which a lot is employed.

#### Section 15

- a) Flood Areas. No building for human occupancy shall be permitted to be built in any zone within any floodway and no building for human occupancy shall have its first-floor level less than 1 ft. above any known flood elevation in any zone within a flood plain outside of any floodway.
- b) Cellar Occupancy. No person shall be permitted to live in a cellar or basement for longer than one year pending completion of the upper portion of the residence.
- c) Sanitary Protection. -
  - (i) No septic tank, or any portion of a sewage disposal area, shall be constructed or maintained less than 75 ft. from the edge of a public water body or from a well, or in violation of any provision of Chapter 149:E, New Hampshire Revised Statutes Annotated, as amended, or in violation of any regulation adopted pursuant to said Chapter.
  - (ii) No waste waters or sewages shall be permitted to be discharged upon the surface of the land or run free into a public water body, nor shall any solid waste be so discharged, nor shall any gaseous waste be discharged into the ambient air if such discharge or running free is offensive or is detrimental to the health of others.
  - (iii) All sanitary systems shall be constructed and maintained in accordance with the standards set and enforced by the New Hampshire State Department of Health and by the New Hampshire Water Pollution Commission. (A set of such standards is on file with the Town Clerk.)
  - (iv) A private well or other private water system shall be constructed and maintained in accordance with the re-

quirements of the Public Health Service Drinking Water Standards. (A set of such standards is on file with the Town Clerk.) No well shall be drilled, driven, dug, or constructed closer than 50 feet from any public right-of-way.

- d) The construction of all buildings, dwellings, or other structures to be used for human occupancy shall reasonably conform to the standards of construction for the type of use intended as set forth in the National Building Code as recommended by the National Board of Fire Underwriters, as amended from time to time, which Code is hereby incorporated by reference. At least three (3) copies of said Code shall be in the custody of the building inspector at all times for use by the general public.
- e) All below-ground swimming pools shall be enclosed by safe and strong continuous fence not less than 4 feet nor more than 6 feet in height.
- f) The conversion of any summer, recreational or other non-permanent dwelling into a dwelling which is or is intended to be suitable for habitation on a year-round basis shall require as a prerequisite to the issuance of a building permit for such conversion that the appurtenant sanitary disposal system be made to comply with the then-in-effect water pollution control regulations for the construction of new systems of similar operation within the State.

#### Amendment No. 4

To amend the Ordinance by the addition of the following new Article VI and the deletion of Section 2 from Article V. (Section 2 of Article V prohibits trailer parks except as special exceptions. If this amendment is adopted, the prohibition of trailer parks will be covered in the new Article VI as set forth below.)

### Article VI SPECIAL EXCEPTIONS

#### Section 1

An industrial use may be permitted in Zone A as a special exception provided the Board of Adjustment finds, in writing, after a duly noticed public hearing of which the abutting landowners have been notified in writing;

- a) Use - It is not a medium or high hazard use as defined in the National Building or National Fire Prevention Code as promulgated by the National Board of Fire Underwriters; it does not emit smoke, fumes or noise; and it does not have any characteristics usually attributed to a nuisance type of industry.
- b) There is no outside storage of raw materials or waste materials.
- c) Height - maximum of two stories or 30 feet.
- d) Set-Back - No structure so used shall be located nearer than 100 feet from any public right-of-way or property lines when such adjoining property is not used industrially, and shall be shielded from view from any abutting dwelling by trees and/or shrubbery.
- e) Lot Areas - No lot so used shall be less than two acres per 10,000 sq. feet of building floor area or any part thereof.

#### Section 2

A commercial use may be permitted in any zone as a special exception, provided the Board of Adjustment finds, in writing, after a duly noticed public hearing of which the abutting landowners have been notified in writing;

- a) Use - It is not a medium or high hazard use as defined in the National Building or National Fire Prevention Code as promulgated by the National Board of Fire Underwriters; it does not emit smoke, fumes or noise; and it does not have any characteristics usually attributed to a nuisance type of commercial use.
- b) There is no outside storage.
- c) That the special exception requested hereunder is not for a permit to construct or operate a mobile-home park, trailer park, camper park, or picnic area.
- d) No building so used shall be located nearer than 50 ft. from any public right-of-way or property lines when such adjoining property is not used commercially, and shall be attractively graded and maintained.
- e) Adequate paved parking space has been provided for.
- f) The said exception requested is not for the erection or construction of any structure within 500 feet of the Sandown old meeting house.

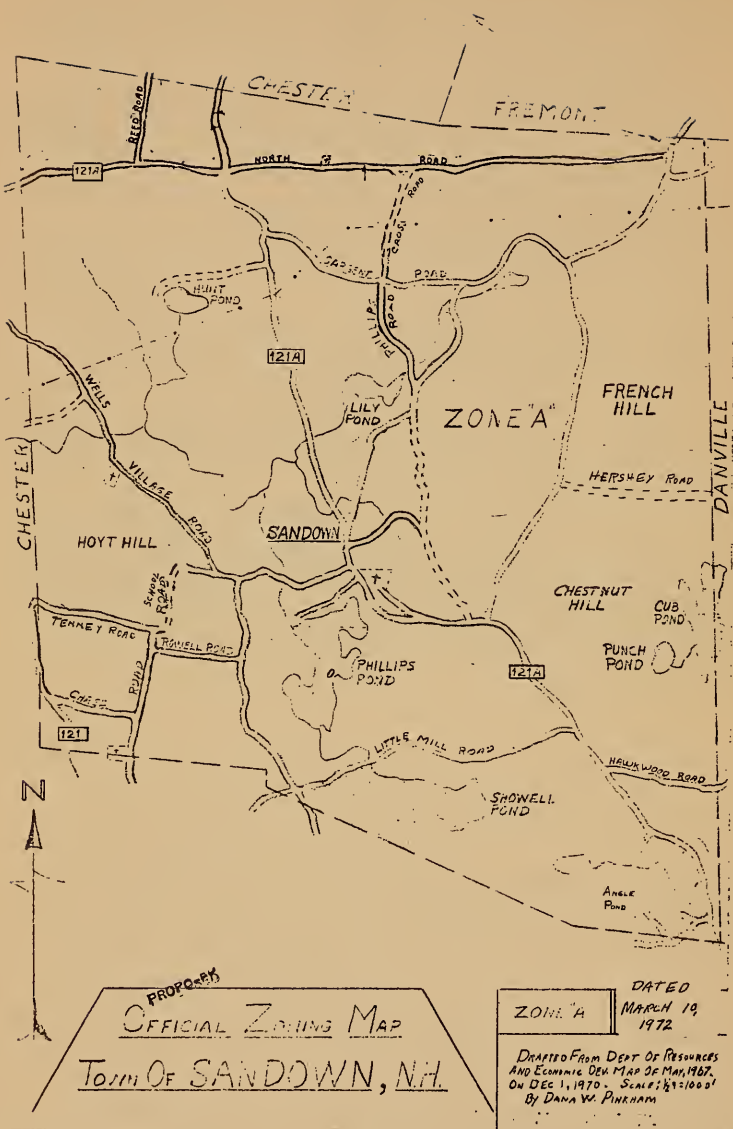

For the purposes of the Ordinance, Apartment Houses shall be deemed to be a commercial use and may be permitted in Zone A provided, in addition to the above requirements contained in this paragraph, the person requesting the special exception first sub-

mits to and obtains approval from the Planning Board of developmental plans which provide for,

- g) paved, off-street parking spaces for at least two motor vehicles per apartment,
- h) each Apartment House to be set back from the front property lines not less than 50 feet and set back from side property lines not less than 30 feet,
- i) enclosed facilities for the storage of at least two 20-gallon rubbish cans or receptacles per Apartment,
- j) Apartment Houses containing no more than four (4) Apartments apiece.
- k) No more than one (1) Apartment per 25,000 square feet of land, exclusive of driveways and parking facilities, and
- l) the construction or use of such Apartment Houses will not require the extension or construction by the town, or at town expense, of any facilities or services other than road maintenance of accepted roads, and

provided such person or his successor in title constructs or causes to be constructed such Apartment House(s) according to said approved plan (the approval of such plans as required hereunder shall not relieve such person from complying with the land subdivision regulations then in effect for the town).
